“What I like about Epiphany is that I like to meet new people, and I like to see my friends. It’s fun to learn something new every week.”

~Epiphany Participant

“Every Sunday Jay is ready to go! He learns so much and is always happy when I pick him up.”

~Parent of Epiphany Participant

“The Epiphany ministry at Preston Hollow Presbyterian Church is one of the most important things we do in caring for people whom God loves. Through this ministry, we are reaching out to a very special group of people.”

~Dr. Blair Monie, Pastor

“Nearly 1 out of 5 people in the U. S. are born with a disability or become disabled in their lifetime. People with special needs are people first, with a special need for extra love, extra care, extra patience, and extra understanding.”

Sunday School

Sundays, 9:30 - 10:30 a.m.

Every Sunday the Epiphany class gathers to learn about God's grace and love. Using specially designed curriculum, students are taught Bible stories that provide a foundation to feel and understand God's love for each one of us. Once a year, the students design and lead a worship service for the entire congregation. The class is led by trained volunteers who have a heart for those with special needs. A registered nurse also participates with the students.

Life Skills and Art

Sundays, 10:30 a.m. - 2:30 p.m.

(Bring your own brown bag lunch.)

Participants expand their social skills by expressing their artistic talents and interacting with friends. They enjoy activities such as drawing, recreation, yoga/relaxation, visiting on-site library, cooking, painting, drama, and music. Guest speakers teach practical topics such as nutrition, personal safety, transportation, health, and wellness. The class is led by a certified special needs teacher, trained volunteers, and a registered nurse.

Special Events and Opportunities

An important aspect of Epiphany is developing social skills and independence through recreational activities.

Participants enjoy special activities such as:

- Community Dances
(featuring a band, and/or DJ, refreshments, and games!)
- Field Trips
- Gardening
- Afternoon Walks
- Dinner and Movie Nights
